

## Ideation Phase

### Define the Problem Statements

Date	
Team ID	PNT2022TMID34286
Project Name	Crude oil price prediction
Maximum Marks	2 Marks

#### Customer Problem Statement :

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

The screenshot displays a Mural collaborative workspace titled "Untitled mural • student". The workspace contains a Customer Problem Statement template with five colored boxes arranged horizontally:

- I am** (Light Blue box): A Engineer (Red box)
- I'm Trying To** (Orange box): Predicate the Crude oil price (Yellow box)
- But** (Pink box): It's takes a lona time (Light Blue box)
- Because** (Purple box): Due to an increase in demand and a decrease in supply (Yellow box)
- Which makes me feel** (Yellow box): Frustrated (Orange box)

The workspace includes a toolbar at the top with various icons for navigation and editing, and a sidebar on the left with additional tool icons. The bottom of the screen shows a Windows taskbar with various application icons and a system tray indicating 33°C Cloudy and 2:07 PM on 17-Oct-22.

<b>Problem Statement (PS)</b>	<b>I am (Customer)</b>	<b>I'm trying to</b>	<b>But</b>	<b>Because</b>	<b>Which makes me feel</b>
PS-1	A engineer	Predicate the crude oil price	It takes too long	Due to an increase in demand and a decrease in supply	frustrated
PS-2	A Teenager	Try this new application	I don't understand anything in the application	It is very hard for me to understand	useless
